

CERTIFICATE FI 294

Our Ref.

281370-1

Product

Supply track system for luminaires

Type

T3 series

Trade mark

Certificate Holder / Manufacturer

Technical information

250/400V, 16A, 50Hz, class I, 3-phase, IP20

Other information

The product is certified according to the following standard(s)

EN 60598-1:2015 EN 60570:2003

Validity

This certificate is valid until 21 December 2020 unless the standard in question has been amended or superseded with significant changes in requirements, in which case, SGS Fimko has the right to shorten the validity of the certificate based on the legislation of the European Union. This certificate includes the right to use the FI mark under the condition that changes (if any) will be checked at SGS Fimko before the product is brought onto market and that the conditions for FI certification are met.

Directive information

The product(s) fulfils the essential safety requirements for CE conformity marking according to the Low Voltage Directive (2006/95/EC) at the date of issue of the certificate.

Date of issue

21 December 2015

See page 2

A sample of the product has been tested and found to be in conformity with the current HD/EN and equivalent national standard (number and edition)

EN 60570:2003 EN 60598-1:2015

As shown in the test report (reference No.)

281370-1

This Notification of Test Results is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard.

This Notification of Test Results has been established by a body which participates in the CENELEC Certification Agreement (CCA) of 11th September 1973 as amended on 29th March 1983. Any other body participating in the CCA will take this Notification as a basis for granting a national mark of conformity or a national approval as specified in the CCA, as long as the standard referred to above is still in force in the country of that body.
